

Attention Tennessee Corn, Cotton, and Soybean Producers

- ✓ Corn, cotton, and soybean producers that owned unpriced inventory on January 15, 2020 are eligible to receive CFAP payments from USDA.
- ✓ Eligible inventory will receive \$0.335/bu for corn, \$0.095/lb for cotton, and \$0.475/bu for soybeans.
 - For example, if you owned 10,000 bushels of corn unpriced as at January 15, 2020 you may be eligible to receive \$3,350.
 - Eligible inventory cannot exceed 50% of 2019 production.
- ✓ No repayment requirements or application fees to participate. Apply at USDA Farm Service Agency. **Application deadline August 28, 2020.**
- ✓ Contact your local University of Tennessee County Extension Office, USDA Farm Service Agency, or visit <https://www.farmers.gov/cfap> for program details and a list of other eligible commodities.
